Kids in the Park Archaeology Day

In October, RCHF hosted our first annual Kids in the Park: Archaeology Day event with great success! This free event was open to the public and intended for families and children of all ages. In total, we had a great turnout of over 125 participants including visitors and volunteers including the Cullins-Lakepointe History Club and their Sponsor Mrs. Gail Kidd! Thank you to anyone who helped out and a special thank you to all RISD students who volunteered to make this day such a success. Activities included archaeology stations, a mock dig site, living history demonstrations, crafts, historical games, a pottery demonstration, museum tours and a scavenger hunt.

BRUNCH AND MINERALS FUNDRAISER HUGE SUCCESS!

More than fifty guests attended the first Brunch and Minerals fundraiser hosted by Gail and Jim Spann. Guests were treated to a sumptuous brunch and given a tour of the Spanns' extensive mineral collection that they have gathered from all over the world. The total raised for the Historical Foundation was more than \$4300. Thank you Gail and Jim!
