

Constitution Day

This year, we hosted a family day in conjunction with *The Blessings of Liberty* exhibit from the Humanities Texas collection of Texas history themed exhibits. The event featured craft stations with activities geared toward teaching kids about the Constitution and important historical figures. Kids loved making their own tri-corn hat and signing a piece of parchment with their own quill pen! Thank you to all of our volunteers who helped to make this event possible.

Kids' Day in the Park

We are proud to report that the 2020 Kids' Day in the Park was a huge success! The event took place at the museum in October and featured many new guests and presenters including **Tim Brys of the Perot Museum, Window to the Wild, Wildlife on the Move, the Texas Agri-Life Extension and the Master Gardeners, Mineral Identification station courtesy of Gail Spann, and the Boy Scouts of America.** This is the second year to hold this event and we were able to double our visitor count with more than 250 guests! Visitors included families and children, many of which have grown to love this annual event. We would like to extend special thanks to all of the

volunteers that helped make this event possible, including the Youth Advisory Council.
