

## *President's Message*

Happy spring everyone! We kicked off 2021 with lots of momentum and I am truly excited for what this year has in store. The monthly lecture series is finally back and slowly but surely, we are able to meet in person. While this new year brings lots of promise, the last few months have brought a few obstacles as well.

In the interest of transparency, I would like to update the membership in regard to our current needs. The museum was very fortunate to not receive any damage during the winter storm. However, we are in need of an HVAC replacement because our 30-year-old system is failing. We are also currently seeking bids to repair/replace the sewer lift station due to a major leak. Finally, strong winds from a recent storm caused significant damage to the historic outhouse and it will need complete rebuilding. To put it simply, we have lots to accomplish this year and many of these items are costly. Please know that supporters like you are what make these repairs possible and for that we are so thankful. With so many individuals fully invested in our mission to preserve Rockwall County's history, I know that great things are ahead!

Sarah Keeney, RCHF President
